## 🎓 EDUCATION

**Computer Engineering**  
**Poornima College of Engineering**  
2021 – 2025 | Jaipur, India  
GPA : 9.1

**Secondary, RBSE**  
2020 – 2021  
98.40

## 🧩 SOFT SKILLS

Communication Skills

Adaptive nature

Leadership

Enthusiastic and Quick Learner

Team Work

## 🎮 INTERESTS

- Animation
- UI/UX Design
- Software Development
- Android App Development
- Music

## 🧠 TECHNICAL SKILLS

Figma	● ● ● ● ● ●
HTML 5, CSS 3	● ● ● ● ● ●
Javascript	● ● ● ● ● ●
Java Programming	● ● ● ● ● ●
C/C++	● ● ● ● ● ●
DBMS - Mysql	● ● ● ● ● ●
Android App Development	● ● ● ● ● ●

## 💻 EXPERIENCE

### Front-end Developer intern at G-Digital India

Worked as a dedicated front-end developer intern, collaborating with senior developers to build and maintain, user-friendly web applications.

### Graphic Designer intern at Duranz IT Solutions

Exploring the realms of Graphic Designing, I've ventured beyond aesthetics, infusing practicality into artistic visions while navigating live projects and freelance work.

## 🏆 ACHIEVEMENT

### AADHAR X - Winner

The Sand Filter Separator project aimed to develop and implement an innovative solution for efficient separation and filtration of sand particles.

### Technovation 2022 - Winner, IEEE Technology Conferences

Authored a comprehensive review paper entitled Facial Expression Recognition using CNN and Haarcascades Algorithm, analyzing current research trends and advancements in Image Processing.

## 🎭 EXTRA CURRICULAR

### Diploma Certification in Kathak

Achieved a diploma certification in Kathak, a classical Indian dance form, demonstrating a deep understanding of the intricate footwork, expressive gestures, and rhythmic patterns, while showcasing artistic grace and cultural sensitivity in performances.

### Offline Presentation Competition - Winner

Won a College level presentation competition on Social topics

## 📁 PROJECTS

### Sand Filter Separator

This project aims to relieve labor-intensive tasks associated with manual sand filtering while incorporating IoT technology for enhanced functionality and monitoring, providing the benefits as, labor savings, precision and consistency, data-driven decision making.

### Designing Projects

Design for Wander Stories Mobile App, Animated fruit cider design, Logo for online cafe named Sleepy Bunny
